MEMORANDUM FOR : Audit Liaison Officer

SUBJECT : ITEK proposal for Study of Photo
Data Processing System

1. Attached is a breakdown of ITEK's costs for accomplishing the subject study. The detailed statement of work is available in this office for your perusal. The Contractor also has copies which may be reviewed by your field auditor.

2. Since most of the rates were currently examined for ITEK's subcontract with Lockheed, it is suggested that your examination determine only the correct rate for a Senior Technical Writer and the justification, if any, for the increase in the other labor rates and G&A rate over the Lockheed proposal.
